## EXPERIENCE

### Multidisciplinary Artist, Fuglee LLC January 2015 - Present Richmond, California

- Founded Fuglee LLC to provide creative services in art, photography, and film.
- Managed proposals, contracts, and budget for freelance projects.
- Produced corporate videos for government/NGOs and public service announcements for charitable causes.
- Generate revenue through a growing library of 900+ clips specializing in location footage for microstock.

### Artist in Residence, Creative Action Institute (CAI) February 2016 - May, 2016 Belize & Guatemala

- Lead workshops which use creativity as a means for social change.
- Empowered under-resourced communities through the use of art and photography.
- Documented the efforts of CAI in reports, photography, and video.

### Videographer, New America Media (NAM) 2009-2013 San Francisco

- Traveled nationwide documenting the outreach of NAM to ethnic communities.
- Produced marketing videos which generate funds for the organization.
- Created content and designed layout for the Richmond Pulse website and publication.
- Trained interns and advised staff on multimedia production and tech support.

### Illustrator/Photographer, Youth Outlook (YO) | Executive Producer, YOTV 2001 - 2009 San Francisco

- Written & illustrated a monthly comic series and spot illustrations.
- Filmed, photographed, & edited local events and stories.
- Launched YOTV from web videos to weekly broadcast on the WB, SF Commons, and MHz.
- Coordinated leads, managed production, and corresponded with the networks.
- Directed staff & talents and animated motion graphics that defined the style of the show.

### Drafter, Robin Chiang & Company 2006 - 2007 San Francisco

- Generated 2D drawings on AutoCAD and 3D concept models in Maya and SketchUp.
- Surveyed buildings for LOD and create as-built drawings.
- Projects include Bart yard seismic upgrades, Islais Creek planning, and home remodels.

### Intern, Pfau Architecture 2005 - 2005 San Francisco

- Drafted buildings on PowerCADD (also familiar with Vectorworks).
- Constructed topography and building models.
- Primary project was the SPUR Headquarters in San Francisco.
